

October 23 – 25, 2007
Tuesday – Thursday
Expo Guadalajara

Prospect Database

Inviting prospective customers to visit your booth can be an effective element in your trade show marketing mix. If this is part of your pre-show strategy, you are free to access our database of Mexitrónica/Ensamblamex/Tecnocalidad attendees from last year.*

Names and addresses of visitors to Mexitrónica/Ensamblamex/Tecnocalidad 2006 are available to you by e-mail. Full, unduplicated file is approximately 5,200 records, about 4,000 with e-mail addresses.

*Only companies with a signed 2007 Exhibit Space Contract on file are eligible.

Please send Mexitrónica/Ensamblamex/Tecnocalidad 2006 database to:

Please Type or Print Clearly.

Company _____ Booth# _____

Address _____

City _____ State _____
